F Vous avez la possibilité de réaliser un montage à droite ou un montage à gauche. Notre notice d'installation décrit un montage à gauche. Si vous voulez réaliser un montage à droite, il vous suffit d'inverser le montage.

GB This cubicle can be installed either left or right hand. These installation instructions show a left hand installation.

E Puede realizar un montaje a la derecha o un montaje a la izquierda. Nuestro folleto de instalación describe un montaje a la izquierda. Si desea montar su cabina a la derecha sólo tendrá que realizar el montaje al contrario.

I Avete la possibilità di effettuare il montaggio a destra o a sinistra. Il nostro manuale descrive il montaggio a sinistra. Se volete realizzare il montaggio a destra è sufficiente invertire varie fasi di montaggio.

NL U kunt de douchecabine rechts of links monteren. Onze handleiding beschrijft de links montage van de cabine. Keer de montage om als u de cabine rechts wilt monteren.

D Sie haben die Möglichkeit, eine Montage auf der linken Seite oder eine Montage auf der rechten Seite durchzuführen. Unsere Montageanleitung beschreibt eine Montage auf der linken Seite. Wenn Sie die Montage lieber auf der rechten Seite durchführen wollen, müssen Sie nur den Montageprozess umkehren.

- Mettre les pieds en contact avec le sol
- Feet in contact with the ground
- Pies en contacto con el suelo
- Piedi a contatto con il terreno
- Voeten in contact met de grond
- Die sockelfüße im Kontakt mit dem Boden bringen

- ❶ Vérifier le bon serrage de chaque connexion afin d'éviter tout problème de fuite lors de la mise en eau
- ❷ Check that each connection is properly tightened in order to avoid any potential leakage problems when put under pressure
- ❸ Comprobar cada conexión sea correcta para evitar los problemas de fuga una vez se conecte con el agua
- ❹ Controllare il buon serraggio di tutti i collegamenti allo scopo di evitare perdite d'acqua
- ❺ Controleren op waterdichtheid alvorens u de douchecabine definitief plaatst. Hiermee vermijdt u mogelijke lekkages nadat het water op druk wordt aangesloten
- ❻ Zur Vermeidung kein leck problem bei der Flutung, die gute klemmen von jede Verbindung überprüfen
